

Meadow Partners – Company Information

Meadow Partners LLC is a privately owned investment and asset management firm focused specifically on the real estate industry. The senior members of Meadow Partners have a long track record of acquiring real estate assets throughout the United States, Europe, and Asia, successfully generating superior long-term returns for their investors.

The Company invests in major international markets, focusing on office, retail, industrial, hospitality, and residential opportunities through single asset, portfolio or entity-level transactions where it sees a current value dislocation or an opportunity for proactive value creation. Investment structures vary but have historically included direct equity positions in real estate, partnership interests, public securities, structured financings and high-yield loans.

The senior members of Meadow Partners have over 40 years of collective real estate investment experience, and through various discretionary investment funds have been involved in the acquisition of approximately \$23 billion of real estate assets in the United States, Europe and Asia. The Company is headed by Jeffrey M. Kaplan, Managing Partner, who prior to forming Meadow Partners was a Managing Principal and Co-Chairman of the Investment Committee of Westbrook Partners. The Company is headquartered in New York City and has a regional office in London.
